Communications and creative professional with 13+ years of experience developing strategic content, managing multi-channel communications campaigns, and collaborating with cross-functional stakeholders. Proven success creating digital, print, email, and web-based communications that drive engagement, support organizational goals, and strengthen brand reputation. Skilled in content development, project management, storytelling, stakeholder engagement, and employee-focused communications.

CURRENT WORK EXPERIENCE

Friedman's Home Improvement

Petaluma, California

Graphic Designer II

November 2022 – Present

- Lead the creative strategy, vision, and execution for all print, digital, social, and web marketing for a multi-location home improvement/construction retailer.
- Design and manage end-to-end promotional campaigns that drive sales, traffic, and engagement.
- Collaborate with, mentor, and manage interdisciplinary teams of creatives, brand strategists, developers, and merchants to produce projects to spec and on deadline.
- Supervise and mentor a junior designer while ensuring brand consistency and timely delivery.
- Oversee multi-channel creative production, including social, web, email (20K+ subscribers), signage, motion graphics, and presentations.
- Deliver high-impact initiatives, including weekly print campaigns (50K+ households), website updates, Friedman's e-commerce launch in 2025, and 80th anniversary milestone campaign in 2026.
- Develop daily design project workflow solutions and establish standards of practice for efficient asset archiving and access for repeat project needs and reorders.

Meyer Corporation

Vallejo, California

Senior Graphic Designer

October 2020 – October 2022

- Translated creative briefs into impactful, on-brand digital and print assets for 12 national kitchenware brands, such as KitchenAid, Rachael Ray, and Hestan.
- Designed animated social media content and customer-facing email campaigns to support weekly e-commerce promotions and drive traffic.
- Developed engaging web infographics for major retailers, such as Amazon, Walmart, and Macy's, to enhance product pages and boost conversions.
- Managed opening-day operations for Meyer's annual outlet sale, contributing to \$112K+ in sales and 12% YoY growth.

Meyer Corporation

Vallejo, California

Graphic Designer (Promoted October 2020)

May 2017 – October 2020

- Converted business insights into creative strategies, driving a 34% YoY sales increase in 2020.
- Spearheaded website rebrands for Anolon, Farberware, Rachael Ray, and Circulon, including web graphics and landing pages.
- Produced brand catalogs, in-store signage, brochures, and retail displays supporting new launches and promotions.
